## **About Old Republic Home Protection**

### **Their Product**

A home warranty is a one-year service contract that repairs/replaces a home's major systems or appliances that fail due to normal use during the term of the contract. A Standard Plan offers coverage on plumbing, heating and electrical systems, as well as major appliances and specialty items such as built-in bathtub whirlpool, and central vacuum systems. Optional coverage is also available, which varies by state. Please see a state-specific Plan for details of coverage.

### **Their History**

Old Republic Home Protection has been a leader in the Home Warranty Industry since 1978, and is currently the third largest home warranty company nationwide, conducting business in 27 states coast to coast. ORHP is a member of the Old Republic International Group of Companies (), one of the nation's 50 largest publicly held diversified financial services institutions. Headquartered in Chicago, ORI's business is concentrated in commercial insurance lines, diversified across four major industry segments: general, mortgage, title and life.

### **Their Service Reputation**

At Old Republic Home Protection, they don't want to be just a "one-year warranty company" to their clients, but strive to become their warranty company for a lifetime.
